

November 2019

Notice of Updates to Education Program Agreement

Dear Education Program Customer:

Over the years, Esri has evolved ArcGIS from a single product to a platform of tightly integrated apps. Educational practices have also evolved; learning is not limited to a classroom or lab. Esri has modernized its education program offerings ("Education Program Offerings") in response to these changes in technology and educational practices. Esri's goal is to increase the use of its offerings by allowing students and educators to access Education Program Offerings on any device, wherever they choose to work.

The purpose of this notice is to inform your organization ("Your Organization") of changes that apply to Your Organization's education program agreement ("Your Organization's Agreement"). We ask that you share this notice with the primary contact for each of the participating institutions ("Participating Institutions") in Your Organization's Agreement. This notice provides the current matrix of Education Program Offerings available to each of the Participating Institutions.

This notice is provided to Your Organization in accordance with the Changes by Supplement or equivalent clause in Your Organization's Agreement that permits Esri to update the list of Education Program Offerings found in Appendix A of Your Organization's Agreement, as well as the scope of use for such Education Program Offerings upon written notice to the primary contact identified in Your Organization's Agreement.

The following changes will be automatically implemented within 90 days of the date of this notice. Your Organization's acknowledgment is not required to implement these changes. In some circumstances, Esri may also ask Your Organization to execute an updated education program agreement.

- 1. Education Program Offerings for Academic Use.** Table A-1 and Table A-2 attached to this notice list the Education Program Offerings and license quantities that Participating Institutions may use for academic purposes. There is no cap on the number of Education Program Offerings that Participating Institutions are eligible to use for academic purposes.
- 2. Education Program Offerings for Administrative Use.** Table A-3 and Table A-4 attached to this notice list the Education Program Offerings and license quantities that Participating Institutions may use for administrative purposes. Additional licenses are available for an additional fee. Please contact your Esri representative for details.
- 3. Additional Benefits.** Table A-5 attached to this notice lists the additional benefits that are available to Participating Institutions. Specific benefits, such as additional Authorized Technical Support contacts and Esri User Conference and Education Summit @ Esri UC registrations, are available for an additional fee. Please contact your Esri representative for details.
- 4. Scope of Use.** If a Participating Institution is an institution of higher education, it may permit its students, educators, and staff members to use the Education Program Offerings on a personally owned device or through a virtualized/hosted environment in any geographic location where it is not prohibited by the then current applicable US government export laws and regulations (currently the following: Iran, Sudan, North Korea, Syria, Cuba, and the Crimea region in the Ukraine) in accordance with the terms and conditions of Your Organization's Agreement. Participating Institutions may not use or permit their students, educators, or staff members to use the Education Program Offerings in violation of the Export Compliance provision of the license agreement that is part of Your Organization's Agreement, which includes authorizing use, access, or transfer to denied parties, entities, and individuals on any US government-sanctioned lists. Each Participating Institution must inform its students, educators, and staff members that their use of the Education Program Offerings is subject to the use restrictions in the Agreement and the terms and conditions of the license agreement that is part of Your Organization's Agreement, including, but not limited to, all applicable US government export laws and regulations. Participating Institutions shall implement reasonable processes to ensure that students, educators, and staff members remove the Education Program Offerings from their personal computers upon leaving the Participating Institution.

**APPENDIX A
EDUCATION PRODUCTS AND DEPLOYMENT SCHEDULE**

Institution may copy and Deploy the Education Products listed in Table A-1 up to the license quantities specified in Table A-2 for Academic Use.

Category: Large

**Table A-1
Academic Use**

ArcGIS Online
ArcGIS Online organizational account
ArcGIS Online GIS Professional Advanced User Type Licenses ¹ with 100 credits per user
ArcGIS Premium Apps
ArcGIS Business Analyst Web App (for use with ArcGIS Online and with Business Analyst Server), ArcGIS Business Analyst Mobile App, ArcGIS Community Analyst, GeoPlanner for ArcGIS (for use with ArcGIS Online and ArcGIS Enterprise), Insights for ArcGIS in ArcGIS Online, Insights for ArcGIS in ArcGIS Enterprise, Esri Redistricting (for use with ArcGIS Online), ArcGIS Excalibur (for use with ArcGIS Enterprise), ArcGIS Urban, ArcGIS QuickCapture (for use with ArcGIS Online and ArcGIS Enterprise)
ArcGIS Enterprise
ArcGIS Enterprise Advanced , including the following extensions: ArcGIS Schematics, ArcGIS 3D Analyst, ArcGIS Spatial Analyst, ArcGIS Geostatistical Analyst, ArcGIS Network Analyst, ArcGIS Data Interoperability, ArcGIS Data Reviewer, ArcGIS Workflow Manager, ArcGIS for Maritime: Server, Esri Defense Mapping, Esri Production Mapping, Esri Roads and Highways, ArcGIS Utility Network Management, ArcGIS LocateXT
ArcGIS Image Server, ArcGIS GeoEvent Server, ArcGIS GeoAnalytics Server, ArcGIS Notebook Server Advanced
ArcGIS Enterprise—Viewer User Type Licenses and GIS Professional Advanced User Type Licenses ¹
ArcGIS Desktop
ArcGIS Desktop—ArcGIS Pro Advanced , including the following extensions: 3D Analyst, Data Interoperability, Data Reviewer, Geostatistical Analyst, Network Analyst, Spatial Analyst, Workflow Manager, ArcGIS Image Analyst, ArcGIS Publisher, ArcGIS for Aviation: Airports, Defense Mapping, ArcGIS for Maritime: Charting, Production Mapping, LocateXT, ArcGIS for Maritime: Bathymetry, Roads and Highways
ArcGIS Desktop—ArcMap Advanced , including the following extensions: 3D Analyst, Data Interoperability, Data Reviewer, Geostatistical Analyst, Network Analyst, Spatial Analyst, ArcGIS Tracking Analyst, Workflow Manager, Publisher, Schematics, Aviation: Airports, ArcGIS for Aviation: Charting, Maritime: Bathymetry, Maritime: Charting, Defense Mapping, Production Mapping, Roads and Highways, LocateXT
Additional Products
ArcGIS Hub Premium
ArcGIS Monitor
ArcPad
ArcGIS Business Analyst Desktop
ArcGIS Business Analyst Enterprise
Esri CityEngine Advanced
ArcGIS Developer Subscription—Enterprise Plan ²

Notes

1. User Type Licenses for both ArcGIS Online and ArcGIS Enterprise include access to web and mobile apps; see www.esri.com/software/apps/ for current list, excluding premium apps.
2. Esri Developer Summit registration not included.

**Table A-2
License Quantity for Academic Use**

Participating Institution classified as Small is California Maritime Academy.

Participating Institutions classified as Medium are California State Polytechnic University, Pomona; California State University, Bakersfield; California State University, Channel Islands; California State University, Chico; California State University, Dominguez Hills; California State University, East Bay; California State University, Fresno; California State University, Fullerton; California State University, Northridge; California State University, Sacramento; California State University, San Bernardino; California State University, Stanislaus; San Jose State University, and Sonoma State University.

Participating Institutions classified as Large are California Polytechnic State University, San Luis Obispo; California State University, Long Beach; California State University, Los Angeles; California State University, Monterey Bay; California State University, San Marcos; San Diego State University; and San Francisco State University.
